Cost is \$5.00 for the first video or DVD and \$3.00 for each additional video or DVD shipped within the United States, up to a maximum of \$26.00. For special handling, see below.

INTERNATIONAL SHIPPING/HANDLING AND SPECIAL DOMESTIC HANDLING

Because shipping rates vary from country to country we cannot determine here at the meeting what it will cost to ship your videos via Air Parcel Post. We will take your package to the post office, fill out the Customs Declaration Form and pay postage at that time. You will be charged the actual Air Parcel shipping costs plus a handling cost of \$10.00 to cover time of travel, completion of forms and packaging materials. This shipping/handling cost will show up as a separate charge on your credit card statement.

For International or Special Handling domestic, how would you like it shipped (please circle your choice)?
